 - (d) Subject to Subsection (e) of this Section 5.10, if the Management Committee decides under Subsection (c) above to forego enforcement, the Master Association is not prevented from later taking enforcement action.

 - (d) The Management Committee shall determine the amount of Benefitted Common Area Assessments to be paid by the Owners of the Units assigned to each such Benefitted Common Area by dividing the total budget amount for

Unless otherwise established by the Management Committee and communicated to each Owner, each Owner shall pay to the Master Association the Owner's regular Assessment, Benefitted Common Area Assessment and Service Area Assessment, as may be the case, annually or on such other quarterly or monthly installment basis as the Management Committee or the Manager may determine.

6.4 Adjustments to Regular Assessments. In the event the Management Committee determines that the estimate of total charges for the current year is, or will become, inadequate to meet all Common Expenses for any reason, it may then revise the budget and each Owner's share of the new budget total based on the Owner's Allocated Interest. Upon notice of the adjustment, and unless modified by the Management Committee, each Owner thereafter shall pay to the Master Association the Owner's adjusted regular Assessment.

6.5 Adjustments to Benefitted Common Area Assessments or Service Area Assessments. In the event the Management Committee determines that the estimate of total charges for the current year is, or will become, inadequate to meet Benefitted Common Area Expenses or Service Area Assessments, for any reason, the Management Committee may then revise the appropriate budget and each Owner's share of the new budget total based on the Owner's proportional share of the Benefitted Common Area Expenses or the Service Area Expenses, as the case may be. Upon notice of the adjustment, and unless modified by the Management Committee, each Owner thereafter shall pay to the Master Association the Owner's adjusted Benefitted Common Area Assessment or adjusted Service Area Assessment.

Such procedures and policies may include, but are not limited to, the date when Assessment payments are due and late, establishing late fees and collection charges, and establishing interest (per annum or compounded) that may be charged on unpaid balances. The failure of the Master Association to send a statement to an Owner or an error in any such statement (other than a Certificate of Payment) shall not relieve any Owner of liability for any Assessment or charge under the Governing Documents.
- 6.10 Certificate of Payment. Consistent with Utah Code § 57-8a-206, the Master Association, within ten (10) business days after receipt of written demand, shall furnish to any Owner liable for Assessments or such other Person for whom an Owner has given written permission in a form acceptable to the Master Association, a written statement or certificate, signed by an officer or authorized agent of the Master Association, setting forth whether the Assessments relating to a specified Unit have been paid and the amount of delinquency, if any. Each such certificate shall be conclusive in favor of a Person who relies on the written statement in good faith. The Management Committee is authorized to charge a ten dollar (\$10.00) fee for issuance of a certificate; provided, however, the Management Committee may increase or decrease this fee amount if the new amount is identified in the Rules and is consistent with Utah law.
- 6.11 Special Assessments. Subject to any limitations in this Master Declaration for the particular type of expense, the Master Association is expressly authorized to set and collect special Assessments, payable as may be determined by the Master Association (in lump sums or over a period of time), to pay for any Common Expenses. Notwithstanding the wording or terms of any notice of special Assessment, a special Assessment shall be deemed assessed, for all purposes, on the date that the payment for the Assessment is due.
- 6.12 Special Assessments to a Particular Unit or Units within a Particular Village. Special Assessments may be levied by the Master Association against a particular Unit and its Owner or against Units within a Particular Village and their respective Owners for:

- 6.14 Application of Excess Assessments. In the event the amount budgeted to meet Common Expenses for a particular fiscal year proves to be excessive in light of the actual Common Expenses, the Management Committee, in its discretion, may apply the excess to reserves, credit the excess against future Assessments or refund the excess to the Owners in proportion to the Allocated Interests of each Unit in the Common Expenses of the Project, as the Management Committee deems appropriate. The decision of the Management Committee shall be binding and conclusive. In addition, the Master Association shall not be obligated to reduce the amount of Assessments in succeeding years if an excess exists for a prior year. In the event that amount budgeted for any Benefitted Common Area or Service Area proves to be excessive in light of the actual Benefitted Common Area Expenses or Service Area Expenses, the Management Committee, in its discretion, shall either: (a) credit the excess against future Benefitted Common Area Assessments for the particular Benefitted Common Area with the excess, or (b) credit the excess against future Services Area Assessments for the particular Service Area that had an excess, as the case may be, or (c) refund the excess to the Owners of the Units assigned to the Benefitted Common Area that had the excess or assigned to the Service Area that had an excess, as the case may be.
- 6.15 No Offsets. All Assessments shall be payable at the time and in the amount specified by the Master Association, and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that the Management Committee is not properly exercising its duties and power, a claim in the nature of offset or that the Master Association owes the Owner money, or that the Master Association is not complying with its obligations as provided for in the Governing Documents.
- 6.16 How Payments Are Applied. Unless otherwise provided for in the Rules, all payments for Assessments shall be applied to the earliest charges first. Owners shall have no right to direct the application of their payments on Assessments or to

ARTICLE 7
NONPAYMENT OF ASSESSMENTS &
JOINT AND SEVERAL LIABILITY OF OWNERS FOR ALL PAST UNPAID ASSESSMENTS

- 7.1 Delinquency. Assessments not paid within the time required shall be delinquent. Whenever an Assessment is delinquent, the Management Committee may, at its option, invoke any or all of the remedies granted in this Article 7. The Master Association's choice of one remedy shall not prejudice or constitute a waiver of the Master Association's right to exercise any other remedy. Each Owner, by taking title to a Unit, vests in the Master Association, or its assigns, the right and authority to bring actions at law or lien foreclosures against such Owner or Owners for the collection of delinquent Assessments.
- 7.2 Collection Charges and Interest. If the Master Association does not otherwise adopt or establish billing and collection procedures in the Rules, the following shall apply: The Assessments shall be due within thirty (30) days of invoicing. Payments received after thirty (30) days from invoicing may be charged an initial late fee of thirty-five dollars (\$35.00). Thereafter, an additional late fee charge of thirty-five dollars (\$35.00) per month may be added for each month that an Owner's account has an unpaid balance. In addition to late fees, interest shall accrue on all unpaid balances, including on any unpaid prior attorney fees and late charges, at the rate of two percent (2%) per month or such other amount as may be set forth by the Master Association in the Rules and allowed by law. Delinquent accounts may be turned over by the Master Association to attorneys or to a collection company and additional collection charges and attorneys' fees and costs may be added to the amounts owed.
- 7.3 Joint and Several Liability of Owner and Future Owners for All Past and Presently Accruing Unpaid Assessments. To the extent permitted by law, the Owner and any future Owners of a Unit are jointly and severally liable for all Assessments related to that Unit accruing prior to and during the time that an Owner is an Owner. An Owner is not liable for any Assessments accruing after he/she has lawfully transferred title to the Unit to another Owner; provided, however, that the recording of a deed to a Person that has not agreed to take ownership of the Unit shall not be considered a legal conveyance of title. The obligation imposed by this Section 7.3 is separate and distinct from any lien rights associated with the Unit.
- 7.4 Lien. The Master Association has a lien on each Unit for all Assessments, which include, but are not limited to, late fees, interest, collection charges, attorneys' fees, court costs, and other costs of collection (which shall include all costs and not be limited by those costs that may be awarded under the Utah Rules of Civil Procedure). This lien shall arise and be perfected as of the date of the recording of this Declaration and shall have priority over all encumbrances recorded after this Declaration is recorded, except as otherwise required by law. If an Assessment is payable in installments, the lien is for the full amount of the Assessment from the time the first installment is due, unless the Master Association provides otherwise in the notice of Assessment. The Master Association also has a lien on each Unit for all

finer imposed against an Owner by the Master Association. This lien shall arise and be perfected when (a) the time for appeal described in Utah Code Ann. § 57-8a-208(5) has expired and the Owner did not file an appeal; or (b) the Owner timely filed an appeal under Utah Code Ann. § 57-8a-208(5) and the district court issued a final order upholding the fine. The Master Association's lien shall have priority over each other lien and encumbrance on a Unit except only: (i) a lien or encumbrance recorded before this Declaration is recorded; (ii) a first or second security interest on the Unit secured by a mortgage or trust deed that is recorded before a recorded notice of lien by or on behalf of the Master Association; and (iii) a lien for real estate taxes or governmental assessments or charges against the Unit. The Master Association may, but need not, record a notice of lien on a Unit.

- 7.5 Action at Law. The Master Association may bring an action to recover a delinquent Assessment personally against the Owner obligated to pay the same. Any attorneys' fees and costs incurred in such action shall be assessed against the delinquent Owner and the Owner's Unit and added to the amount in delinquency (plus judgment interest and collection charges, if appropriate).

7.6 Foreclosure Sale. The Master Association shall have all rights of foreclosure granted by the Act, both judicially and non-judicially. The Declarant appoints Melyssa D. Davidson as trustee, who qualifies under Utah Code Ann. § 57-1-21(1)(a)(i). The Declarant hereby conveys and warrants pursuant to Utah Code Ann. § 57-1-20 and 57-8a-302 to Melyssa D. Davidson, with power of sale, the Unit and all improvements to the Unit for the purpose of securing payment of Assessments under the terms of the Declaration. The Master Association may appoint a qualified successor trustee by executing and recording a substitution of trustee form.

- 7.7 Homestead Waiver. Each Owner, to the extent permitted by law, hereby waives, to the extent of any liens created pursuant to this Declaration (whether such liens are now in existence or are created at any time in the future), the benefit of any homestead or exemption laws of the State of Utah now in effect, or in effect from time to time hereafter.

- 7.8 Termination of Delinquent Owner's Rights. The Master Association shall have all rights provided for in the Act to terminate a delinquent Owner's right to vote and right to utilize the Recreational Amenities and other common facilities; provided, however, that before termination of such rights the delinquent Owner be provided at least fourteen (14) days prior notice, in accordance with the notice requirements in the Bylaws, of:

- (a) the impending termination of rights if payment is not received;
- (b) the amount(s) past due, including any interest and late charges; and
- (c) the right to request a hearing before the Management Committee.

- 7.9 Requiring Tenant to Pay Rent to Master Association.

- (a) Pursuant to and as provided for in the Act, the Master Association shall have a right to demand and collect rent from any tenant occupying any Unit for which an Assessment is more than sixty (60) days late; provided, however,

that before requiring a tenant to pay lease payments to the Master Association, the Owner be provided at least fifteen (15) days' prior notice, in accordance with the notice requirements in the Bylaws, of:

- (i) the Master Association's intent to demand the Owner's tenant pay his/her lease payments to the Master Association if payment is not received within fifteen (15) days;
 - (ii) the amount(s) past due, including any interest, late charges, collection costs and attorneys' fees; and
 - (iii) that any costs of collection, including, but not limited to attorneys' fees and other assessments that become due may be added to the total amount due and to be paid through collection of the tenant's lease payments;
- (b) If the Owner fails to pay the amount owing after fifteen (15) days, the Master Association may exercise its rights to collect the lease payments from the delinquent Owner's tenant by delivering written notice to the tenant, in accordance with the notice requirements in the Bylaws, that:
- (i) due to the Owner's failure to timely pay Assessments, the Master Association has notified the Owner of the Master Association's intent to collect all lease payments until the amount owing is paid, in full;
 - (ii) Utah law requires the tenant to make all future lease payments, beginning with the next monthly or other periodic payment, to the Master Association, until the amount owing is paid, in full; and
 - (iii) the tenant's payment of the lease payments to the Master Association does not constitute a default under the terms of the tenant's lease agreement with the Owner.
- (c) The Master Association shall mail to the Owner a copy of the notice to given to the tenant.
- (d) The tenant to whom notice under Section 7.9(6) is given shall pay to the Master Association all future lease payments as they become due and owing to the Owner beginning with the next monthly or other period payment until the Master Association notifies the tenant that the amount owed by the Owner is paid.
- (e) The delinquent Owner shall credit each payment that his/her tenant makes to the Master Association pursuant to this Section 7.9 against any obligation that the tenant owes to the Owner as though the tenant made such payment to the Owner and Owner may not initiate suit or other action against the tenant for failure to make any lease payment that the tenant pays to the Master Association as required under Section 7.9(d).
- (f) Within five (5) business days after the amount owing is paid, in full, the Master Association shall notify the tenant, in accordance with the notice provisions in the Bylaws, that the tenant is no longer required to pay future

lease payments to the Master Association and a copy of said notice shall be mailed to the Owner.

- 7.10 Attorneys' Fees Incurred as a Result of a Default. In addition to any attorneys' fees and costs provided for herein, the Master Association shall be entitled to recover all reasonable attorney fees and costs incurred as a result of an Owner's failure to timely pay Assessments, including but not limited to attorneys' fees and costs incurred to: (a) obtain advice about a default; (b) collect unpaid Assessments; (c) file lawsuits or other legal proceedings related to a default in an effort to collect unpaid Assessments; (d) file pleadings, notices, objections, and proofs of claim in any bankruptcy proceeding; (e) examine the debtor or others related to collections; (f) monitor any bankruptcy proceedings including, but not limited to, regular monitoring of an Owner's progress in a chapter 13 plan for the duration of the plan; (g) file relief from stay motions, objections, or other adversary proceedings in bankruptcy (and all related activities including seeking and responding to discovery, taking depositions or examinations, introduce evidence, hiring and paying expert witnesses, filing motions and other pleadings, attending trials, hearings, or other court proceedings, including as reasonably necessary related to assert any non-dischargeability of debts, to assert claims against the bankruptcy estate or co-debtors, to challenge exemptions, to pursue any appropriate adversary proceeding, or for any other reason related to the ultimate attempt to collect unpaid Assessments); and (h) foreclose a lien, secure lien rights, or prepare any notice of lien. This provision is to be construed broadly to permit the Master Association to recover any reasonable fees and costs in any way related to an Owner's default in the payment of Assessments and the ultimate collection of those Assessments.
- 7.11 Master Association Responsibility after Foreclosure. If the Master Association takes title to a Unit pursuant to a foreclosure (judicial or non-judicial), the Master Association shall not be bound by any of the provisions related to the Unit that are otherwise applicable to any other Owner, including but not limited to: obligations to pay assessments or maintain the Unit.

Failure to replenish the performance deposit within seven (7) days following the Design Review Board's delivery of written demand shall be deemed a material breach of the Design Guidelines and this Master Declaration and shall entitle the Design Review Board to deny the Owner's contractor's access to the Subdivision (including any of contractor's suppliers, subcontractors, employees and material men) and lien the Unit in an amount equal to the performance deposit deficiency.

- 8.9 No Liability. Neither the Design Review Board, nor the Management Committee, or the Master Association, or the Declarant shall be liable for damages to any Owner or any other Person by reason of any action, failure to act, approval, disapproval or failure to approve or disapprove any design review application or plans. The Design Review Board shall have no liability or responsibility for any representations made to any Owner or prospective owner by any realtor or other third parties regarding the Design Guidelines or any design control covenant or the design review process. Within thirty (30) days after receipt of such notice, the Design Review Board may inspect the work to determine its compliance with the approved plan. If the Design Review Board finds that the work was not done in substantial compliance with the approved plan, the Design Review Board may issue written notice to such Owner specifying the non-compliance and requiring the Owner to cure such non-compliance within thirty (30) days or any extension thereof granted.
- 8.12 Enforcement. Any construction, alteration nor other work done or undertaken without first obtaining written approval from the Design Review Board shall be deemed to be a violation of this Master Declaration and the Design Guidelines. Upon written notice of a violation from the Design Review Board or the Management Committee, an Owner, at his/her own expense, shall conform or remove the nonconforming construction, alteration, or other work and shall restore the Unit or the affected portion thereof to substantially the same condition as existed prior to the nonconforming construction alteration or other work within thirty (30) days or such extension thereof granted. If an Owner fails to timely remedy the violation as required hereunder to the reasonable satisfaction of the Design Review Board, the Design Review Board or the Management Committee shall have the right to enter onto the Lot and may remedy the violation or remove the same or otherwise restore the Unit to substantially the same condition as existed prior to the violation without the same being deemed as trespass. environmental considerations may require, subject to any City approval required under the Development Agreement. To be valid, a variance must be in writing, and approved by every member of the Design Review Board. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Master Declaration or the Design Guideline shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of any variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular Unit and provision of the Design Guideline or hereof covered by the variance, and shall not affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of the Unit.

- 8.14 Appeal. The Master Association shall maintain a blanket policy of property insurance covering the entire Project to include the Common Area and Facilities and the physical structure of all attached dwellings, limited common areas appurtenant to such attached dwellings, fixtures, betterments, and the structures' service equipment. Pursuant to § 57-8a-405(4) of the Act, the blanket policy of property insurance shall not apply to single-family detached dwellings that are not physically attached to any other dwelling or to a Common Area and Facilities structure. An Owner of a Unit that is single-family detached dwellings shall be responsible to obtain property insurance coverage for his/her own Unit.

- (1) The blanket policy shall exclude land and other items not normally and reasonably covered by such policies, including,

without limitation, any single-family detached Unit. The blanket policy shall be an "all in" or "all inclusive" insurance as those terms are used in the insurance industry, and shall include insurance for any fixture, improvement, or betterment installed in or to the Unit or any Limited Common Areas or otherwise permanently part of or affixed to Common Areas and Facilities, Units, or Limited Common Areas, including, but not limited to, floor coverings, cabinets, light fixtures, electrical fixtures, heating and plumbing fixtures, paint, wall coverings, and windows.

- (2) At a minimum, the blanket policy shall afford protection against loss or damage by: (a) fire, windstorm, hail, riot, aircraft, vehicles, vandalism, smoke, and theft; and (b) all other perils normally covered by "special form" property coverage.
- (3) The blanket or guaranteed replacement cost policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all property covered by such policy (including the Units) at the time the insurance is purchased and at each renewal date. The actual replacement cost of the property shall be determined by using methods generally accepted in the insurance industry.
- (4) The blanket policy shall include either of the following insurance endorsements to assure full insurable value replacement cost coverage: (a) a "Guaranteed Replacement Cost Endorsement" under which the insurer agrees to replace the insurable property regardless of the cost; or (b) a "Replacement Cost Endorsement" under which the insurer agrees to pay up to one hundred percent (100%) of the property's insurable replacement cost but not more. If the policy includes a coinsurance clause, it must include an "Agreed Amount Endorsement" which must waive or eliminate the requirement for coinsurance.
- (5) Each property policy that the Master Association is required to maintain shall also contain or provide for the following: (a) "Inflation Guard Endorsement," if available; (b) "Building Ordinance or Law Endorsement," (the endorsement must provide for contingent liability from the operation of building laws, demolition costs, and increased costs of reconstruction); and (c) "Equipment Breakdown," if the project has central heating or cooling or other equipment or other applicable fixtures, equipment, or installations, which shall provide that the insurer's minimum liability per accident at least equals the lesser of two million dollars (\$2,000,000), or the insurable value of the building containing the equipment.

- (b) Owner Responsibility for Payment of Deductible. If a loss occurs that is covered by a property insurance policy in the name of the Master Association and another property insurance policy in the name of an Owner:
 - (i) The Master Association's policy provides primary insurance coverage; and
 - (ii) Notwithstanding Subsection 11.3(b)(i) and subject to Subsection 11.3(b)(iii), the Owner is responsible for the Master Association's insurance deductible; and the property insurance portion of the Owner's insurance policy applies to that portion of the loss attributable to the Master Association's insurance policy deductible.
 - (iii) As used in this Subsection (3):
 - (1) An Owner who owns a Unit that has suffered Unit Damage (as defined in the Act) as part of a Covered Loss (defined in the Act) is responsible for an amount calculated by applying the Unit Damage Percentage (defined in the Act) for that Unit to the amount of the deductible under the Master Association's property insurance policy.
 - (2) If an Owner does not pay the amount required under Subsection 11.3(b)(iii)(2) within thirty (30) days after substantial completion of the repairs to the Unit or the Limited Common Area appurtenant to the Unit as may be applicable, the Master Association may levy an Assessment against the Owner for that amount.
- (c) Flood Insurance.
 - (i) Except for single-family detached Units, if any part of the Project is or comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a policy of flood insurance shall be maintained covering at a minimum, that portion of the Project located within the Special Flood Hazard Area. That policy shall cover any machinery and equipment that is not part of a building and all Common Area and Facilities within the Project ("Insurable Property") in an amount deemed appropriate, but not less than the lesser of: (1) the maximum limit of coverage available under the National Flood Insurance Program for the Insurable Property within any portion of the Project located within a designated flood hazard area; or (2) one hundred percent (100%) of the insurable value of the Insurable Property.
 - (ii) If the Project is not situated in a Special Flood Hazard Area, the Master Association may, nonetheless, in the discretion of the Management Committee, purchase flood insurance to cover water and flooding perils to Common Areas and Facilities not otherwise covered by blanket property insurance.
- (d) Earthquake Insurance. The Master Association may purchase earthquake insurance as the Management Committee deems appropriate for Common

Area and Facilities and buildings or structures for which the Master Association has a legal obligation to obtain property insurance.

- (e) Master Association's Obligation to Segregate Property Insurance Deductible. The Master Association shall keep separate an amount equal to the Master Association's property insurance policy deductible or \$10,000, whichever is less. This requirement shall not apply to any earthquake or flood insurance deductible.
- (f) Master Association's Right to Not Tender Claims that are under the Deductible. If, in the exercise of its business judgment, the Management Committee determines that a covered loss is likely not to exceed the Master Association's property insurance policy deductible, and until it becomes apparent the covered loss exceeds the Master Association's property insurance deductible and a claim is submitted to the Master Association's property insurance insurer: (i) the Owner's policy is considered the policy for primary coverage for any loss to the Owner's Unit, to the amount of the Master Association's policy deductible; (ii) the Association is responsible for any loss to any Common Area and Facilities; and (iii) an Owner who does not have a policy to cover the damage to that Owner's Unit is responsible for that damage and the Master Association may, as provided in section 11.3(b)(iii)(2), recover any payments the Master Association makes to remediate that Unit; and (iv) the Master Association need not tender the claim to the Master Association's insurer.
- (g) Notice Requirement for Deductible. The Master Association shall provide notice to each Owner of the Owner's obligation under this Article 12 for the Master Association's policy deductible and of any change in the amount of the deductible. If the Master Association fails to provide notice of the initial deductible, it may be responsible for the entire deductible in case of any loss. If the Master Association fails to provide notice of any increase in the deductible, it shall be responsible for paying any increased amount that would otherwise have been assessed to the Owner. The failure to provide notice shall not invalidate or affect any other provision in this Declaration.
- (h) Village Sub-Association to Assume Insurance Obligations. A Village Sub-Association formed to operate and maintain dwellings and common property with a condominium form of ownership shall have the obligation to obtain insurance consistent with the requirements of the Utah Condominium Ownership Act, Utah Code Ann. § 57-8-43.

11.4 Comprehensive General Liability (CGL) Insurance. The Master Association shall obtain CGL insurance insuring the Master Association, the agents and employees of the Master Association, and the Owners, against liability incident to the use, repair, replacement, maintenance, or ownership of the Common Area and Facilities and the Owner's membership in the Master Association. The coverage limits under such policy shall not be less than two million dollars (\$2,000,000) covering all claims for death of or injury to any one individual or property damage in any single occurrence. Such insurance shall contain a Severability of Interest Endorsement or equivalent

coverage which would preclude the insurer from denying the claim of an Owner because of the negligent acts of the Master Association or another Owner.

- 11.5 Director's and Officer's Insurance. The Master Association shall obtain Directors' and Officers' liability insurance protecting the Management Committee, the officers of the Master Association, and the Master Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available). This policy shall: (a) include coverage for volunteers and employees; (b) include coverage for monetary and non-monetary claims; (c) provide for the coverage of claims made under any fair housing law or similar state or federal statute or that are based on any form of discrimination or civil rights claims; and (d) provide coverage for defamation. In the discretion of the Management Committee, the policy may also include coverage for any Manager and any employees of the Manager and may provide that such coverage is secondary to any other policy that covers the Manager or any employees of the Manager.
- 11.6 Insurance Coverage for Theft and Embezzlement of Master Association Funds. The Master Association shall obtain insurance covering the theft or embezzlement of funds that shall: (a) provide coverage for an amount of not less than the sum of three months regular Assessments in addition to the prior calendar year's highest monthly balance on all operating and reserve funds; and (b) provide coverage for theft or embezzlement of funds by: (i) Officers and Management Committee members of the Master Association; (ii) employees and volunteers of the Master Association; (iii) any Manager of the Master Association; and (iv) officers, directors, and employees of any Manager of the Master Association.
- 11.7 Workers' Compensation Insurance. The Management Committee shall purchase and maintain in effect workers' compensation insurance for all employees of the Master Association to the extent that such insurance is required by law.
- 11.8 Certificates. Any insurer that has issued an insurance policy to the Master Association shall issue a certificate of insurance to the Master Association and upon written request, to any Owner or Lender.
- 11.9 Named Insured. The named insured under any policy of insurance shall be the Master Association. Subject to Sections 11.1 and 11.3(a)(i), each Owner shall also be an insured under all property and CGL insurance policies.
- 11.10 Master Association's Right to Negotiate All Claims and Losses and Receive Proceeds. Insurance proceeds for a loss under the Master Association's property insurance policy shall be payable to an Insurance Trustee (defined below) if one is designated, or to the Master Association, and shall not be payable to a holder of a security interest. An Insurance Trustee, if any is appointed, or the Master Association, shall hold any insurance proceeds in trust for the Master Association, Owners, and lien holders. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete, and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then

- any proceeds remaining after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Units. The cost of repair or replacement of any Unit in excess of insurance proceeds and reserves is a Common Expense to the extent the Master Association is required under this Declaration or the law to provide insurance coverage for the Unit. Each Owner hereby appoints the Master Association, or any Insurance Trustee, as attorney-in-fact for the purpose of negotiating all losses related thereto, including: the collection, receipt of, and appropriate disposition of all insurance proceeds, the execution of releases of liability, and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representatives, successors or assigns of an Owner. In the discretion of the Management Committee or upon written request executed by Owners holding fifty percent (50%) of the total Allocated Interests, the Management Committee shall hire and appoint an insurance trustee ("Insurance Trustee"), with whom the Master Association shall enter into an insurance trust agreement, for the purpose of exercising such rights under this Section as the Owners or Management Committee (as the case may be) shall require.
- 11.11 Owner Act Cannot Void Coverage Under Any Policy. Unless an Owner is acting within the scope of the Owner's authority on behalf of the Master Association and under direct authorization of the Master Association to terminate an insurance policy, an Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy.
- 11.12 Waiver of Subrogation Against Owners and the Master Association. All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Master Association, the Owners, any individuals residing with a Unit Owner if an Owner resides in the Unit, and the Master Association's agents and employees.
- 11.13 Right of Action. Nothing in this Declaration shall prevent an Owner suffering a loss as a result of damage to property from asserting a claim, either directly or through subrogation, for the loss against a Person at fault for the loss.
- 11.14 Applicable Law. This Declaration is specifically subjecting the Master Association to the applicable insurance requirements and provisions of Part 4 of the Utah Community Association Act, and any amendments thereto enacted by law. It is the intent of this Section that any future changes to the insurance law applicable to community associations shall apply to this Master Association.

ARTICLE 12

EMINENT DOMAIN

- 12.1 Taking of a Unit. If a Unit is taken by eminent domain, or sold under the threat thereof, or if a portion of a Unit is taken by eminent domain, or sold under the threat thereof, leaving the Owner with a remnant that may not practically or lawfully be used for any purpose permitted by this Master Declaration, the award shall compensate the Owner for the Owner's Unit and Allocated Interest,

regardless of whether any Common Areas and Facilities are taken.

- 12.2 **Taking of Common Area.** If the Common Area and Facilities or Benefitted Common Area, or a portion thereof, is taken by eminent domain, or sold under threat thereof, the Management Committee shall, as soon as practicable, cause the award to be utilized for the purpose of repairing or restoring that area in the Project adjacent to the taking, and the portion of the award not used for restoration shall be added to the general funds of the Master Association.
- 12.3 **Taking of Entire Project.** In the event the Project, in its entirety, is taken by eminent domain, or sold under threat thereof, the Project shall be terminated and the Management Committee shall wind down the Master Association in accordance with applicable law.
- 12.4 **Priority and Power of Attorney.** Nothing contained in this Article 13 shall entitle an Owner to priority over any Lender under a lien encumbering the Owner's Unit as to any portion of any condemnation award allocated to such Unit. Each Owner hereby appoints the Master Association as attorney-in-fact for the purpose of negotiations and settlement with the condemning authority for the acquisition of the Common Area, or any part thereof.

ARTICLE 13 AMENDMENTS

- 13.1 **General Amendment Requirements.** Except as otherwise provided herein and subject to the rights and authority reserved to the Declarant in Article 21 herein and elsewhere in this Master Declaration, this Master Declaration may be amended only by an instrument in writing. Owners holding Allocated Interests totaling not less than sixty-seven percent (67%) of the total Allocated Interest must vote in favor of approving the amendment in a meeting of the Owners held for that purpose or by written consents. Any such Plat may make material changes to the existing or prior Plat including deleting, adding, or modifying Common Area and Facilities, deleting, adding or modifying Benefitted Common Area, or other changes in the layout of the Project. If any such amendment affects any boundary of a Unit, that Unit Owner must consent. If the approval required herein is obtained, each and every other Owner: (a) shall sign, consent to, and execute any further documents required for the finalization, recording, and/or governmental approval of any such document regardless of whether they approved of or consented to the change in the Plat; and (b) grants the Master Association power of attorney to sign necessary documents on that Owner's behalf as necessary for the agreement, amendment, or correction.

If such a petition is approved by the Management Committee and by the Declarant during the Declarant Control Period, and by the Owners holding at least sixty-seven percent (67%) of the Allocated Interests within the proposed Service Area, the Master Association shall provide the requested benefits or services under the terms and conditions established by the Management Committee. The costs and administrative charges associated with such benefits or services shall be assessed as Service Area Assessments to the Units within such newly-formed Service Area.
- 13.7 Amendment to Conform to Law. This procedure may also be used to change the Declaration to add or conform to any requirements necessary for Owners to obtain government insured or guaranteed financing such as through VA, FHA, FNMA or similar programs or to comply with any directive of any federal, state, or local government agency. The following procedures and requirements must be complied with for any such amendment:

ARTICLE 16

ATTORNEYS' FEES AND COSTS

16.1 Legal Costs Associated with Disputes with Owners.

- (a) Owners Liable for Fees Incurred in Dispute. If the Master Association utilizes legal counsel to enforce any Term and Condition after notice to the Owner that the Master Association intends to enforce the Term and Condition or after the Owner communicates or demonstrates an intent not to comply with the Term and Condition, the Master Association may assess all reasonable attorneys' fees and costs associated with such enforcement to the Owner, regardless of whether a lawsuit is initiated or not.
- (b) Costs. The term "costs" as used in this section shall include all costs including copying costs, deposition costs, expert witness fees, investigative costs, service costs, and filing fees paid to courts. "Costs" is specifically defined in this Declaration to be broader and to include costs that are not included in costs, as the term is used in the Utah Rules of Civil Procedure.
- (c) Exception to Owner's Liability for Fees and Costs. If, related to (i) any dispute with an Owner, (ii) any challenge by an Owner to a position of the Master Association on a Term and Condition, or (iii) a request of an Owner for direction on the application of a Term and Condition, the Master Association incurs legal fees or costs related to the interpretation and application of a Term and Condition that the Master Association could not establish an initial position on without having incurred the fees and costs or that results in a substantial modification to a prior position taken by the Master Association, then those fees or costs shall not be assessed to any

Owner and shall be paid by the Master Association. This provision shall not apply if a lawsuit is currently pending with regard to the Owner and the issues arise as part of the lawsuit.

ARTICLE 17 RESERVES

- 17.1 Requirement for Reserves. Subject to Section 20.18, the Master Association shall obtain a reserve analysis and shall maintain a reserve fund for the maintenance, repair, and replacement of the Common Area and Facilities, pursuant to the following provisions:
- (a) **Collection.** Reserve funds may be collected as part of regular or special Assessments.
 - (b) **Amount.** In formulating the Master Association's annual budget, the Master Association shall include a reserve fund line item for Common Area and Facilities in an amount the Management Committee determines, based on the reserve analysis, to be prudent. For purposes of this Section 17.1, a reserve fund line item means the line item in the Master Association's annual budget that identifies the amount to be placed into the reserve fund.
 - (c) **Owner Veto.** Within 45 days after the day on which the Master Association adopts the annual budget, the Owners may veto the reserve fund line item by a fifty-one percent (51%) vote of the total Allocated Interests in the Master Association at a special meeting called by the Owners for the purpose of voting whether to veto a reserve fund line item. If the Owners veto a reserve fund line item and a reserve fund line item exists in a previously approved annual budget of the Master Association that was not vetoed, the Master Association shall fund the reserve account in accordance with that prior reserve fund line item.
 - (d) **Surplus Monies Applied to Reserves.** The Master Association may retain surplus Master Association money as additional reserves rather than refund it to the Owners or credit it to future Assessments.
 - (e) **Segregation of Reserves.** The Master Association shall segregate money held for reserves from regular operating and other accounts.
 - (f) **Reserve Analysis.** The Master Association shall cause a reserve analysis with an onsite evaluation to be conducted no less frequently than every six (6) years. The Master Association shall review and, if necessary, update a previously conducted reserve analysis no less frequently than every three (3) years. The Reserve analysis shall include, at a minimum: (i) a list of the components identified in the reserve analysis that will reasonably require reserve funds; (ii) a statement of the probable remaining useful life, as of the date of the reserve analysis, of each component identified in the reserve analysis; (iii) an estimate of the cost to repair, replace, or restore each component identified in the reserve analysis; (iv) an estimate of the total annual contribution to a reserve fund necessary to meet the cost to repair, replace, or restore each component identified in the reserve analysis during the component's useful life and at the end of the

component's useful life; and (v) a reserve funding plan that recommends how the Master Association may fund the annual contribution set forth in the reserve analysis. The reserve analysis and updates shall project a minimum of thirty (30) years into the future.

- (g) **Qualifications for Person Preparing Reserve Analysis.** The reserve analysis shall be prepared by a Person or Persons with (i) experience in current building technologies; (ii) a solid working knowledge of building-cost estimating and life-cycle costing for facilities; and (iii) the tools and knowledge to prepare a report. Preferably, the Person preparing the reserve study shall have the RS (Reserve Specialist) designation available through the Community Association Institute (CAI), the PRA (Professional Reserve Analyst) designation offered through the Association of Professional Reserve Analysts (APRA), or other designations by similar professional associations establishing that the Person has some formal training related to preparing a reserve analysis.
- (h) **Summary and Copies of Reserve Analysis.** The Master Association shall annually provide Owners a summary of the most recent reserve analysis or update and provide an opportunity for Owners to discuss reserves and to vote on how to fund the reserves and in what amount. The Master Association shall provide a copy of the complete reserve analysis or update to an Owner who makes a written request for a copy.

17.2 **Exceptions for Benefitted Common Area and Service Area Reserves.** The requirements set forth in Subsections 17.1 (b), (c), (e), (f) and (h) shall not apply to reserves, if any, for a Benefitted Common Area or Service Area. A reserve analysis prepared for any Benefitted Common Area or Service Area shall comply with Subsection 17.1(g) and a copy provided to the Owners of those Units assigned to the Benefitted Common Area or Service Area, as the case maybe.

ARTICLE 18 LEASING AND NON-OWNER OCCUPANCY

18.1 **Master Declaration and Rules Govern Non-Owner Occupancy.** The leasing and non-owner occupancy of Residential Units shall be governed by this Article 18, the Rules, and procedures adopted as provided herein.

- (b) "Family Member" means:
 - (i) the grandparent, parent, sibling, child, or grandchild of an Owner and the grandparent, parent, sibling, child, or grandchild of an Owner's spouse; or

planning purposes, an individual occupying the Unit if the trust or other estate planning entity that owns the Unit was created for the estate of (1) a current Occupant of the Unit; or (2) the parent, child, or sibling of the current Occupant of the Unit.

18.3 Restriction on Leasing and Non-Owner Occupancy. Subject to the requirements in Sections 18.4 and 18.5 below, any Residential Unit may be leased or non-Owner Occupied.

18.4 Permitted Rules. The Management Committee may adopt Rules:

- (a) Regarding reporting and procedural requirements related to Non-Owner Occupied Units and the Occupants of those Units, including requiring informational forms to be filled out by Owners and Occupants identifying Occupant vehicles, Occupant contact information, and the like;
- (b) Establishing other reasonable administrative provisions consistent with and as it deems appropriate to enforce the requirements of this Declaration; and
- (c) Limiting the total number of Non-Owner Occupied Units within the Project if necessary to satisfy the requirements of a Lender for financing the purchase of Units.
- (d) Limiting the total number and or specific Property Management Companies permitted to manage Units within the Project.

18.5 Requirements for Leasing and Non-Owner Occupancy. Owners of Residential Units must comply with the following provisions:

- (a) Subject to the exemptions in the Act for an Owner's military deployment or an Owner's temporary relocation by an employer, and subject to applicable federal requirement and restrictions governing Units within an active-adult community within the Project, any lease or agreement for otherwise allowable non-owner occupancy shall be in writing, for an initial term of at least six (6) months, and shall require that the Occupant shall comply with the Declaration, the Bylaws, and the Rules, and specify that any failure to comply shall be a default under the lease or agreement. If a lease or agreement for non-owner occupancy (whether in writing or not) does not include these provisions, they shall nonetheless be deemed to be part of the lease or agreement and binding on the Owner and the Occupant;
- (b) If required in the Rules or requested by the Management Committee, a copy of any lease or other agreement for non-owner occupancy shall be delivered to the Master Association within the time period provided for in the Rules or required by the Management Committee;
- (c) An Occupant may not occupy any Unit for transient, short-term (less than six (6) months), hotel, resort, vacation, or seasonal use (whether for pay or not);
- (d) Lease of only a portion of the Unit is prohibited unless otherwise specifically provided for in the Rules and Regulations and except as provided in the Act for internal accessory dwelling units, as that term is defined in Utah Code Ann. § 10-9a-530.

- (e) The Owner shall be responsible for the Occupants of the Units and for any invitee of any Occupant and shall ensure their compliance with this Master Declaration, Bylaws, and Rules. In addition to any other remedy for non-compliance with this Declaration, the Master Association shall have the right (but not the obligation) to initiate a forcible entry and unlawful detainer action, or similar such action, with the purpose of removing the offending Occupant. The Master Association, the Management Committee, and the Manager shall not be liable for any action taken pursuant to this Subsection 18.5(e) and the Owner shall indemnify and pay the defense costs of the Master Association, the Management Committee, and the Manager arising from any claim related to any action taken in good faith by any of them pursuant to this Subsection.

18.6 Exceptions for Family Members. If only Family Members occupy a Residential Unit, then notwithstanding anything to the contrary herein:

- (a) Subsections 18.5(a) and 18.5(b) above shall not apply to that occupancy;
- (b) No written agreement regarding occupancy needs to be created between the Family Member and the Owner; and
- (c) Any written agreement regarding occupancy, to the extent it exists, may not be requested by the Management Committee until an Occupant has violated a provision of the Governing Documents and if requested, may only be requested related to remedying or taking action as a result of such a violation.

ARTICLE 19 GENERAL PROVISIONS

19.1 Enforcement. The Master Association or any Owner shall have the right to enforce, by proceedings at law or in equity, all Terms and Conditions, including the right to prevent the violation of any such Terms and Conditions and the right to recover damages and other sums for such violation, including, but not limited to attorneys' fees and costs incurred in conjunction with such enforcement.

- (a) Each Owner, by taking title to a Unit, acknowledges and agrees that because a breach of the Governing Documents will result in immediate and irreparable injury to the Master Association and its other members for which they will not have an adequate remedy at law, the Master Association, if any such breach shall occur, be attempted, or be threatened, shall be entitled to an order of specific performance and to a temporary and permanent injunction enjoining such breach and to any and all other remedies to which the Master Association may be entitled pursuant to the Governing Documents or applicable law, without posting bond or furnishing other security and without proving special damages or irreparable injury, together with an award of attorneys' fees.

19.2 No Liability of Officers. To the fullest extent permitted by applicable law, neither the Management Committee nor any officer of the Master Association shall be liable to

any Owner or the Master Association for any damage, loss, or prejudice suffered or claimed on account of any decision, approval or disapproval, course of action, act, omission, error or negligence.

- 19.3 Use of Funds Collected by the Master Association. All funds collected by the Master Association, including, specifically, Assessments and contributions to the Master Association paid by the Owners, shall be held by the Master Association in a fiduciary capacity to be expended in their entirety for nonprofit purposes of the Master Association and for other permitted purposes as set forth in this Master Declaration. No part of said funds shall inure to the benefit of any Owner other than as a member of the Master Association or other than as a result of expenditures made for a permitted purpose as set forth in this Master Declaration.
- 19.4 Owner Liability and Indemnification. Each Owner shall be liable to every other Owner and to the Master Association for any damage to the Common Area and Facilities that may be sustained by reason of the negligent or intentional act that Owner or any intentional or negligent act of any Occupant of that Owner's Unit, to the extent such losses and damages are either under the insurance deductible of the Master Association or not covered by the Master Association's insurance. Each Owner, by taking title to a Unit, agrees to indemnify each and every other Owner and Occupant in such other Owner's Unit, and to hold such other Persons harmless from, and to defend against, any claim of any Person for personal injury or property damage occurring within that Owner's Unit, except to the extent that: (a) such injury, damage, or claim is covered and defended by the Master Association's or such other Owner's liability insurance carrier; or (b) the injury or damage occurred by reason of the intentional act of the Master Association.
- 19.5 Areas of Owner Responsibility. Except to the extent that maintenance, repair and upkeep of Unit exteriors and/or Lots has been assigned to the Master Association as part of a Service Area or to a Village Benefited Assessment area or Village Sub-Association, each Owner shall be responsible for the maintenance, repair, and upkeep of the Owner's Unit, including snow and ice removal during winter months. Likewise, each Owner shall be responsible to maintain the landscaping and other improvements to the Owner's Lot, except to the extent such maintenance has been assigned to the Master Association as part of a Service Area or to a Village Benefited Assessment area or Village Sub-Association. Each Owner of a Lot shall be responsible for the maintenance and upkeep of any landscaped park strip area adjacent to the Owner's Lot unless the Master Association assumes the obligation for maintenance of the park strip.
- (a) Except to the extent provided by the Declarant pursuant to a written agreement, each Owner shall be responsible for initial landscaping for the Unit, including, sod, trees, shrubs, and flowers in accordance with the Design Guidelines, Street Tree Planting Plan and applicable City ordinance. Initial landscaping shall be completed within nine (9) months of closing on the sale of the Unit.
 - (b) A landscaping bond may be required by the City in addition to any

performance bonds or deposits required by the Design Review Board.

- (c) No concrete, masonry product, pavers, bricks, stone, cobblestone, tile, terrazzo, slate, slabs, rocks, pebbles, gavel, permeable or impermeable surfaces (collectively, "Controlled Surfaces") may be installed or constructed as part of a Unit's landscaping without the express, prior written authorization of the Design Review Board. Front, side, rear yard, and park-strip landscaping comprised primarily of controlled surfaces is prohibited without written authorization of the Design Review Board.

- 19.6 Variances. The Management Committee, at its option and in extenuating circumstances, may grant variances from the Terms and Conditions set forth in Master Declaration if the Management Committee determines, in its discretion: (a) either that the Term and Condition would create an unreasonable hardship or burden on an Owner or Occupant, or that a change of circumstances since the recordation of this Master Declaration has rendered such Term and Condition obsolete and unreasonable to enforce; and (b) that the activity permitted under the variance will not have any negative financial affect or any other materially adverse effect on the Owners or Occupants of the Project and is consistent with the Community-Wide Standards and not prohibited by the Development Agreement. Any such variance shall be unenforceable and without any effect whatsoever unless reduced to writing and signed by every member of the then existing Management Committee. No variance may be granted that is inconsistent with the Development Agreement, City Ordinance or the Act. No variance may be granted that relates to the payment of Assessments unless, after reasonable investigation under the circumstances, it clearly appears that the Owner is incapable of paying the Assessment and the Unit is being or has been transferred to a new Owner either voluntarily or involuntarily through foreclosure.
- 19.7 Consent, Power of Attorney, Waiver. By acceptance of a deed, lease, or other conveyance of an interest in a Unit, each Owner and Occupant consents to the rights reserved to the Declarant and the Master Association in this Master Declaration, including but not limited to, the right to prepare, execute, file, process, and record necessary and appropriate documents and other items to establish and grant easements and to make necessary and appropriate amendments of this Declaration, the Plat and the Bylaws. By such acceptance, each Owner and Occupant agrees to execute all documents and to do all other things as may be necessary or convenient to effect the same. Such acceptance shall be deemed an appointment of the Master Association, with full right of substitution, as the attorney-in-fact of such Owner or Occupant to execute such documents and to do such things on such Owner's or Occupant's behalf. Such appointment, being coupled with an interest, shall be irrevocable for the specific period of the Master Association's reserved rights as set forth in this Declaration and shall not be affected by the disability of any such Owner or Occupant.
- 19.8 Security. Neither the Declarant nor the Master Association, in any way, shall be considered an insurer, guarantor, or provider of security from criminal conduct within or relating to the Project. Neither the Declarant nor the Master Association shall be liable for any loss or damage by reason of criminal conduct arising, for any

reason, including any failure to provide security or any ineffectiveness of security any measures undertaken. Each and every Owner and Occupant in the Project acknowledges that neither the Declarant nor the Master Association has any duty to any Owner or Occupant related to security or to prevent criminal conduct. By taking title to a Unit and/or residing in the Project, each Owner and Occupant acknowledges and agrees that neither the Declarant nor the Master Association nor the Management Committee are insurers of the safety or well-being of Owners or Occupants or any of their personal property as it relates to criminal conduct, and specifically waives any such claim and assumes all risks for loss or damage to Persons or property resulting from criminal conduct.

- 19.9 **Reasonable Accommodations.** Notwithstanding anything to the contrary in this Master Declaration, the Master Association, upon receipt of a written opinion from its counsel that such action is required, may make or permit reasonable accommodations or modifications to the Project that are otherwise prohibited by the Governing Documents, as required under Title VIII of the Civil Rights Act of 1968 (the Fair Housing Act) as amended, to accommodate an Owner or Occupant with a disability (as defined by federal law at the time the accommodation is requested). Reasonable accommodations or modifications may include modifications to a Unit, the Common Area and Facilities, or deviations from provision of the Governing Documents. Any such modification and accommodation made under this section shall not act as a waiver of the provisions of the Governing Documents with regard to anyone else.
- 19.10 **No Representations and Warranties.** EACH OWNER AND OCCUPANT UNDERSTANDS, AGREES, AND ACKNOWLEDGES THROUGH TAKING TITLE OR RESIDING IN THE PROJECT THAT THE MASTER ASSOCIATION AND THE MANAGEMENT COMMITTEE HAVE NOT MADE ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND RELATED TO THE PROJECT AND THAT EACH OWNER OR OCCUPANT HAS NOT RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANT ABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO THE PROJECT.

ARTICLE 20 DECLARANT RIGHTS

- 20.1 **Special Declarant Rights.** Notwithstanding any other provisions in the Governing Documents to the contrary, the Declarant shall have all the rights and powers provided for in this Article 21. If any other article in this Declaration contains the words "notwithstanding anything to the contrary," or words of similar import, the article shall all nonetheless be subject to the terms in this Article 20.
- 20.2 **Right to Appoint the Management Committee During Declarant Control Period.** The Declarant shall have the right to appoint and remove all Management Committee members during the Declarant Control Period. In the appointment of Management Committee members, the Declarant shall not be bound by any qualifications for Committee Members in the Governing Documents. The Declarant

may elect to have a Management Committee of fewer than the required number of members until the Declarant Control Period ends. The Declarant may assume (and shall be presumed to have assumed unless Declarant notifies the Master Association otherwise) the powers of the Management Committee without appointing Management Committee members pursuant to the rights granted in the Articles of Incorporation to the Declarant.

- 20.3 Declarant Retains All Rights and Authority During Declarant Control Period. During the Declarant Control Period, the Declarant shall retain control, power, and authority over, and all decision-making ability or authority for the Master Association and/or the Project. During the Declarant Control Period, the Declarant may also assume (and shall be presumed to have assumed unless the Declarant notifies the Master Association otherwise) the powers and authority of the Design Review Board without the Management Committee's appointment of Design Review Board members. During the Declarant Control Period, the Declarant may pre-approve plans and/or waive design review fees for a bulk-lot builder. The Declarant shall determine whether to hire professional management during the Declarant Control Period.
- 20.4 Easement Rights. The Declarant shall have and hereby retains an easement for access over, under, across and through the entire Project and may utilize, allow anyone else to utilize, or may grant easements over, under across, and through any easement right reserved to anyone in the Declaration.
- 20.5 Right to Amend Plat. Subject to necessary approvals from any applicable municipality or government agency, during the Declarant Control Period, the Declarant shall have the right to amend, change, or modify any Plat, subject only to the requirement that the Declarant get approval from any Owner of a Unit that has any boundary modified by the Plat.
- 20.6 Assessment Exemption. The Declarant shall be exempt from any Assessments including any Regular Assessment, Benefitted Common Area Assessment, Service Area Assessments or special Assessment.
- 20.7 Right to Amend Master Declaration, Bylaws, Articles of Incorporation, and Rules. Until the expiration of the Declarant Control Period, the Declarant shall have the right to unilaterally amend, revise, and modify this Master Declaration, any Supplement to the Declaration establishing a Benefitted Common Area or Service Area or Additional Covenants, the Bylaws, the Articles of Incorporation, and the Rules in any way and at any time, including adding, removing, or changing substantive and material provisions, without any additional approvals from anyone including, but not limited to the Owners. Pursuant to § 57-8a-217(6) of the Act, the Declarant's promulgation or amendment of any Rules shall be exempted from the Act's rule-making process. Any amendment to the Bylaws or this Master Declaration shall be effective upon the recordation of the amendment duly executed by an authorized officer of the Declarant. When recorded, any such amendment shall be binding upon the Project and all Persons having an interest therein including Owners. Without limiting the generality of the foregoing, the Declarant alone may amend or terminate this Master Declaration prior to the closing of a sale or transfer of any Unit.

- 20.8 Right to Designate Benefitted Common Area and Service Area and Modify Prior Designations. Until the expiration of the Declarant Control Period, the Declarant shall have the unilateral authority and sole right to designate Benefitted Common Area and Service Area and to designate the particular Units or Village assigned to such Benefitted Common Area or Service Area, as the case may be. During the Declarant Control Period, the Declarant shall have the unilateral authority and sole right to modify any previously designated Common Area or Service Area and to adjust or modify the assignments of Units or the Village or Villages respectively thereto.
- 20.9 Assignment of Special Declarant Rights. The Declarant, at any time, by recording a written notice, may assign or transfer all or some of its control, power, authority, or decision-making ability to the Master Association or any other Person prior to the end of the Declarant Control Period. In the case of the abandonment of the Project by the Declarant, the cessation of business by the Declarant, or the foreclosure of any undeveloped property that is subject to the provisions of this Declaration, the rights of the Declarant as provided for in this Declaration may be exercised by any owner of the undeveloped land within the project or to be expanded into the Project.
- 20.10 Exceptions from Use Restrictions. The Declarant shall not be bound by any use restriction in the Declaration as it relates to the Units owned by the Declarant.
- 20.11 No Modification of Declarant Rights. Any Declarant Rights in the Governing Documents and, specifically, in this Article 20, may not be substantively or procedurally altered during the Declarant Control Period without the written consent of the Declarant. Any document or amendment purporting to do so without the proper consent shall be void *ab initio*.
- 20.12 Use of Units and Common Areas and Facilities for Sales Activities. During the Declarant Control Period, the Declarant shall have the right to use any Unit owned by it, and any part of the Common Areas and Facilities and any part of any Benefitted Common Area in furtherance of any activities designed to accomplish or facilitate construction, improvement and sale of all Units owned by the Declarant or to be added to the Project, and the construction and improvement of all Common Areas and Facilities and Benefitted Common Area as the Declarant, from time to time, may desire. The Declarant shall have the right to maintain one or more sales offices. Such offices may be located on any Unit with the permission of the Owner of that Unit, who may be the Declarant, or in one or more separate structures, trailers, or facilities placed in the Project for the purpose of aiding the Declarant's sales efforts, or any combination of the foregoing. The Declarant shall also have the right to maintain any number and size of promotional, advertising, or directional signs, banners, or similar structures or devices at any place or places in the Project. The Declarant shall also have the right to designate by signs or otherwise any street or other parking as parking for sales only or to otherwise restrict and use any Common Area parking. The Declarant shall have the right from time to time to relocate, move, remove, or add to any of its sales offices, parking restrictions, signs, banners or similar structures or devices.
- 20.13 Facilities Open to the Public. The Declarant shall have the right to establish certain

facilities and areas within the Project for the use and enjoyment of the public. Such facilities and areas may include, by way of example, open space, trails, paths, parks and other neighborhood areas conducive to public gatherings. The Declarant may designate such facilities and areas as open to the public at the time the same is made the responsibility of the Master Association or the Management Committee may so designate at any time thereafter.

- 20.14 Right to Use Common Area and Facilities for Special Events. The Declarant may use the Common Area and Facilities and Benefitted Common Area to sponsor special events for charitable, philanthropic, political, or marketing purposes, subject to the following conditions: (a) the availability of the Common Area and Facilities; (b) payment of costs and expenses incurred and indemnification of the Master Association against any loss or damage resulting from the special event; (c) return of the Common Area and Facilities in the same condition as existed prior to the special event.
- 20.15 Exemption from Service Provider and Vendor Conflict Provision. The restrictions set forth in Section 20.15 of this Declaration shall not apply to service providers or vendors engaged by the Master Association during the Declarant Control Period.
- 20.16 Declarant Rights Do Not Impose Obligations. The Declarant Rights provided for in this Article 20 shall not be construed to impose any obligation, legal or equitable, related to any matter or issue to which they might apply. The Master Association and each Owner, by taking title to a Unit, waive and disclaim any such duty and affirmatively acknowledge that no such duty exists or should be imposed as a result of the Special Declarant Rights.
- 20.17 Declarant Exemption from Statutory Obligations. Pursuant to § 57-8a-217(6) of the Act, Declarant is hereby exempt from the provisions of § 57-8a-217 of the Act. Pursuant to § 57-8a-211(10) of the Act and Article 18 herein, § 57-8a-211(2)-(9) of the Act shall not apply or have any effect during the Declarant Control Period and, as allowed specifically by law, the Declarant shall have no duty whatsoever to obtain a Reserve Analysis or to fund any Reserve Fund during the Declarant Control Period.

ARTICLE 21 CONFLICT AND LITIGATION AVOIDANCE

- 21.1 Statement of Intent. Every Owner is capable of obtaining an inspection and is permitted to perform any inspection on any Unit that Owner is purchasing or may otherwise be acquiring and on any aspect of the Project. Having had the ability to inspect prior to purchasing a Unit, it therefore is acknowledged that it is unfair and improper thereafter to seek to have the Declarant or any subcontractor performing work in the Project change, upgrade, or add additional work to the Project outside of any express warranty obligation. Moreover, each Owner (by taking title to a Unit) and the Declarant acknowledge and agree that litigation is an undesirable method of resolving certain conflicts in that it is slow, expensive, uncertain, and can often negatively impact the value, sale, and ability to obtain financing for the purchase of Unit for years, unfairly prejudicing those Owners who must sell or who want to sell their respective Units during any period when litigation is pending. For this reason,

each Owner, by taking title to a Unit, and the Declarant agree and acknowledge that certain disputes simply shall not be pursued, to the extent permitted by law, and that other disputes shall be pursued only through certain specific alternative dispute resolution mechanisms and only after full disclosure, right to cure periods, and knowing approval of the Owners. Consistent with this desire to avoid litigation but, nevertheless, to ensure a reasonable avenue for recovery against a Person responsible for faulty construction, the Declarant may obtain and provide warranties to the Master Association from subcontractors that the Master Association may enforce related to the development and construction of the Project. It is the intent of the parties hereto, as agreed to by each Owner by and upon taking title to a Unit, that these warranties (from subcontractors), if they are obtained, whatever they might cover and whomever they are from, are the sole remedy to the extent permitted by law, in case of any defects or damages of any kind arising from or related to construction or development of the Project. The intent of this Article 21 is to eliminate, to the extent possible, claims against or involving the Declarant and claims related to the construction of the Subdivision Improvements, the Common Area and Facilities, the Benefitted Common Area and the Units in the Project, and, when and if any such claim is permitted as a matter of law or pursuant to this Master Declaration, to ensure that every opportunity is made to resolve the claim outside of litigation. This effort shall include, but not be limited to, the right to cure and the requirements for mediation and arbitration.

- 21.2 Master Association Warranties. The Declarant may, but is not obligated to, provide for certain warranties from subcontractors to the Master Association related to the construction of the Project. The Master Association shall have the right, as provided for in any such warranties, to directly enforce and seek performance of these warranties from the subcontractors who performed the work in the construction of the Project. There is no guarantee or warranty by the Declarant that any warranties will be provided or that the warranties will cover any particular component or aspect of the Project.
- 21.3 Waiver of Subrogation and Release. The Master Association and each Owner, by and upon taking title to a Unit, waives any right to subrogation against the Declarant in the Project. This waiver shall be broadly construed and applied to waive, among other things, any attempt by any insurer of any Owner or of the Master Association from pursuing or exercising any subrogation rights, whether arising by contract, common law, or otherwise, against the Declarant (including principles, officers, managers, shareholders, members, employees, agents, and representatives). To the full extent permitted by law, the Master Association and Owners hereby release the Declarant (including principles, officers, managers, shareholders, members, employees, agents and representatives) from any and all liability to the Master Association and all Owners, and anyone claiming through or under them by way of subrogation or otherwise, for any loss, injury, or damage to property, caused by fire or any other casualty or event, even if such fire or other casualty shall have been caused by the fault or negligence of the Declarant or its principles, officers, managers, shareholders, members, employees, agents and representatives. The Master Association and each Owner agree that all policies of insurance shall contain

a clause or endorsement to the effect that this release and waiver of subrogation shall not adversely affect or impair such policies or prejudice the right of the Master Association or any Owner to recover thereunder. The Master Association and all Owners shall indemnify and defend the Declarant (including its principles, officers, employees, owners, or representatives) from any claims barred or released by this provision, including but not limited to any claim brought under any right of subrogation.

21.4 Declarant Litigation.

- (a) An Owner may only make a claim against the Declarant, to the extent allowed herein or by law after the following efforts at dispute resolution have been completed: (i) Right to Cure: the Owner shall provide to the Declarant a Notice of Claim (defined below) and permit the Declarant one hundred eighty (180) days to cure or resolve the claim or defect or to try to get its contractor or the appropriate subcontractor to cure or resolve the claim or defect, prior to initiating any lawsuit, claim, or dispute resolution process; (ii) if the dispute is not resolved within the 180-day Right to Cure period, the parties agree to mediate the dispute prior to taking further action. If additional, different, or modified claims, causes of action or legal theories for recovery (including damages, damage calculations) are added or asserted against the Declarant that were not included in any previously submitted Notice of Claim, the Right to Cure period provided for in this section shall be triggered and any pending action, including any mediation or arbitration, shall be stayed for the 180-day period to facilitate the Declarant's right to cure such additional, different, or modified claims.
- (b) For any claim allowed by law or by this Declaration, the parties agree to binding arbitration of all claims asserted against the Declarant, its contractor or subcontractor by either the Master Association or any Owner, with the initiating party advancing all arbitration costs subject to assignment of those costs by the arbitrator in a final decision on the merits. In the event the parties are unable to agree regarding an arbitration service, the American Arbitration Association shall administer the proceedings and the rules applicable to construction disputes shall apply. The arbitration rules shall be subject to the requirements of this Declaration and shall be modified accordingly in case of any conflict between the Rules and this Declaration.
- (c) "Notice of Claim" shall mean and include the following information: (i) the nature of the claim; (ii) a specific breakdown and calculation of any alleged damages; (iii) a detailed description of the claim along with any supporting opinions, information, or other factual evidence upon which the claim is based; (iv) photographs of any alleged defect or condition, if applicable; (v) samples of any alleged defective materials; (vi) a recitation of all efforts taken to avoid, mitigate, or minimize the claim and alleged damages arising therefrom; and (vii) the names, phone numbers, and addresses of every Person providing factual information, legal or factual analysis, or legal or factual opinions related to the claim.

- (d) Notwithstanding any other provision in this Master Declaration, except as to an Owner Warranty, and to the fullest extent permitted by the law, an Owner shall not and agrees not to commence or maintain any litigation, arbitration, or other action against the Declarant (including principles, officers, managers, shareholders, members, employees, agents and representatives), for any reason, including, but not limited to, alleged construction defects or any damages arising therefrom.
- (e) Notwithstanding any other provision in this Declaration, and to the fullest extent permitted by the law, the Master Association shall not and cannot commence or maintain any litigation, arbitration, or other action against the Declarant or its principles, officers, managers, shareholders, members, employees, agents and representatives, for any reason, including but not limited to for alleged construction defects, any related claims, or any damages arising therefrom.
- (f) The Master Association shall indemnify and defend the Declarant (including its principles, officers, managers, shareholders, members, employees, agents and representatives) against any litigation, arbitration, or the assertion of any claim arising out of any alleged construction defect in or related to the Declarant's development and/or construction of the Project and/or any damages arising therefrom. Except only as may be limited by law, by and upon taking title to a Unit, each Owner specifically disclaims and releases the Declarant from any claim, known or unknown, related to any defect in the Project not specifically covered by either a Master Association Warranty or an Owner Warranty. The Master Association and each Owner acknowledge and agree that such warranties, if provided, and whatever coverage they might provide are the sole remedy of the Master Association related to any alleged or actual construction defects. In case of any claim or litigation asserted related to any construction defect arising in any Unit, the Owner agrees to defend the Declarant (which shall permit the Declarant to select counsel and require the Owner to advance all costs and fees related to any such claim) from any such claim and to indemnify the Declarant from and against any liability arising therefrom.
- (g) Subject only to any Master Association Warranties (if any), the Master Association and the Owners take ownership and possession of the Units and Common Areas and Facilities "AS IS," with all faults and with no warranties of any kind except as otherwise required by law. **THE DECLARANT SPECIFICALLY DISCLAIMS ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE, OR OF HABITABILITY, TO THE FULL EXTENT ALLOWED BYLAW.**
- (h) If otherwise allowed by law notwithstanding the terms of this Article 21, prior to the Master Association making any demand or commencing any mediation, arbitration, or litigation (any "action") against a Declarant or any contractor or subcontractor involved in the original construction of the Project, other than a claim made solely upon an Master Association Warranty against a

subcontractor, the Master Association must have a properly-noticed meeting of the Owners, with all attorneys, experts, and other Persons expected to be involved in the claim present at the meeting. Those Persons present, including the Management Committee, must permit discussion among the Owners and questions from the Owners and must respond to all reasonable questions of the Owners related to the proposed claims. The notice for the aforesaid meeting must include the following information:

- (i) a statement must be made on the first page of such notice in bold, upper case, and not less than 22-point font: **"The Master Association is contemplating serious and potentially time-consuming and expensive litigation against the Declarant of this project. This litigation could cost you money in the form of increased assessments and will likely impact the resale value of your Unit and your ability to sell your Unit while this litigation is pending. This litigation could take years to resolve. You should think seriously about this issue and attend the meeting on this issue";**
- (ii) a budget and detailed breakdown of all costs and legal fees reasonably estimated to be caused by the expected litigation including a breakdown of any costs and fees to be advanced by anyone including any attorney or other representative of the Master Association under any contingency arrangement, and all those costs and fees to be paid directly by the Master Association, all of which shall assume the litigation will last five years (unless it is reasonably expected to last longer in which case the longer period shall be used for this estimate) and require a trial on the merits;
- (iii) a detailed explanation of where any money to be paid by the Master Association will be obtained including a per Unit breakdown of all costs and fees per year, assuming the litigation will last five years;
- (iv) a written statement of each Management Committee member indicating that member's position on the litigation;
- (v) a legal opinion on the likelihood of success of any such litigation or arbitration from an attorney not associated with the attorney or law firm who is anticipated to bring any such action, analyzing the applicable law, Governing Documents, and all relevant and known factual information;
- (vi) all terms of the agreement between the Master Association and the attorney or law firm prosecuting the action including a copy of any engagement letter, contract, or agreement related to that representation; and
- (vii) a detailed description of the alleged claims against the Declarant and of all efforts by the Master Association to resolve those claims prior to commencing any action. In addition to the requirements above and before commencing any action, the Master Association must obtain

the approval of eighty-five percent (85%) of the total Allocated Interests in the Master Association (not 85% of those Owners present), by vote, at a lawfully called and properly noticed special meeting for that purpose only. Any such a special meeting must occur no sooner than thirty (30) days and not later than sixty (60) days after the meeting required above. The Master Association cannot special assess, borrow money, or use any reserve funds to fund any such action or to pay for any costs associated with any such action, including but not limited to copying costs, deposition costs, expert witness costs, and filing fees.

(i) Any agreement with a law firm or attorney under which the law firm would represent the Master Association in an action (as defined in the prior subsection) must have, at a minimum, the following terms: (1) the law firm or attorney will apply sufficient resources, attorneys, time, and administrative support to the action as necessary to prosecute the action as quickly as the court system will allow; (2) the attorney or law firm will provide monthly status reports, in writing, describing at a minimum (a) the work that was completed in the last month, (b) the time, in hours and minutes, incurred by each attorney or billable staff member in the last month broken down by time entry, person performing the work, and a description of each time entry, (c) the costs incurred by the attorneys and any experts in the prior month, (d) a running tally of all costs and time, by attorneys and staff members, since the beginning of the action updated monthly, (e) a list of what is needed to move the action toward resolution, (f) the projected dates for each action that is needed to move the action toward resolution, (g) an explanation of why any projected action cannot be completed immediately; (3) the attorney or law firm will provide an opinion letter regarding the Master Association's claims prior to commencing any action that will, at a minimum, explain each claim, cite the law supporting the claim, cite the facts supporting the claim, provide an application of the law to the facts and analysis of each claim, cite any potential defenses or weaknesses to any claim including an analysis of each potential defense or weakness, an opinion of the lawyer or law firm as to the Master Association's likelihood of success on each claim, an analysis of potential damages including citations to the law and facts supporting that analysis, and an opinion of the lawyer or law firm on the damages the Master Association would likely be awarded for each claim; and (4) a requirement that the Master Association be permitted to terminate the engagement of the law firm or attorney at any time with no requirement to pay any attorney fees incurred under a contingency arrangement up to that date if, in the Master Association's sole discretion, (a) the attorney or law firm is not prosecuting the action as rapidly as the court system will allow, (b) the burden of the action on the Owners through the inability to sell or refinance, through costs, or through any disruption to the operations of the Master Association is not worth the continuation of the action, the Master Association determines, at any time,

that the legal and factual risks associated with the action are such that the action should not be pursued further, the law firm or attorney fails to keep the Master Association informed as to the course of the action and effect of proceedings on the likelihood of success, including any failure to provide required monthly reports.

- (j) The existence of procedures and/or requirements in this Article 21 applicable to claims against the Declarant or its contractors or subcontractors that are barred or limited in other provisions of this Declaration shall not be construed as permitting any such claims or as contradictory to a prohibition or limit on such claims in other provisions in this Declaration. The procedures and requirements to assert a claim (including, but not limited to, the right to cure requirements, the meeting and Owner approval requirements, the mediation requirement, and the arbitration requirements) that are prohibited by this Declaration are provided solely in case any such claim is permitted by law notwithstanding the terms of this Declaration.
- (k) Prior to engaging any lawyer or firm to represent the Master Association related to any litigation described in this section, the Master Association shall obtain independent counsel to review the engagement letter governing that representation and advise the Master Association to ensure that the requirements in this Declaration are satisfied related to that engagement. The Master Association shall continue the representation of independent counsel to monitor the representation by that counsel and to ensure that any proceeding is prosecuted diligently, competently, and consistent with the requirements of the engagement letter and this declaration.
